Free lesson plans, ideas, and resources for creating an "escape room" in schools. If you want to learn something new and don't know where to start, there are plenty of free lesson plans, ideas, and resources for you. Every year in school we get a lot of information that unfortunately is almost immediately forgotten. However, if we want to remember some facts, all we have to do is open a textbook and we can easily find what we need. What if schools had textbooks that gave quick access to information and it was available at all times?
